By turning in this registration form, as the parent, I agree to the following:

- I will help my child attend class each week, and encourage him/her to go directly to the classroom after school is over.
- I will **not** bring or allow other children/siblings into the school or classroom while waiting for my child to finish class. If siblings are waiting on school grounds, parents will be called, and your student will be excused from class.
- I will pick up my child promptly at 4pm. Due to the young age of these students, this is crucial. Children who are not picked up promptly may be dropped from the course with no refund given.

We want this to be a positive introduction to music for your child. By following these rules, we feel your child will get the most out of this experience and learn skills that will last a lifetime!
