

Dear Hawthorn Academy Families –

This form may be used to submit data to the Utah State Office of Education to generate funds for the school from state and federal government programs which require data on “economically disadvantaged,” “low income” or “poverty” students; and to hold the school accountable for the academic performance of its economically disadvantaged subgroup of students. Each family has a right to NOT submit this form.

## Declaration of Household Income School Year 2009-2010

This form is exclusively for use by Utah charter schools which do **NOT** offer a federally supported school meals program. Acceptable completion of this form does **NOT** confer any meal benefits on the student.

If the total annual income before deductions of all persons in the student’s household does not exceed the amount given in the table below for a household of that size, the student qualifies as “economically disadvantaged” (based on the Income Eligibility Guidelines for reduced price meals published by the USDA on page 13412 of the Federal Register on March 27, 2009):

**Household Size Annual Income (\$)**

1.....	20,036
2.....	26,955

5.....	47,712
6.....	54,631

8.....	68,469

**For each additional family member, add 6,919**

By signing this form, I certify that my child qualifies as economically disadvantaged according to the table above. I understand that this information will be submitted by the school to the Utah State Office of Education and may be used to determine how certain state and federal funds are allocated and how well the school performs academically; that school officials may need to verify my claim in case of an audit; and that deliberate misrepresentation of my household size or income may subject me to prosecution under applicable state and federal laws.
